ELEGANT BATH
COLLECTION™

AMERICAN MADE
FAMILY OWNED

By WELLBORN CABINET, INC.

THE ELEGANT BATH COLLECTION is an extensive collection of Designer vanity suites and accessories in all our door styles and finishes. The Elegant Bath Collection is divided into "Suites" to help coordinate your designs. The catalog begins with our Designer Suites which are pre-configured styles that cover a broad range of design aesthetics — Furniture, Modern, Transitional, Traditional, Classic, Curved and Corner. Next we have the Wall Mount Suite which answers the "floating" vanity trend. The Elegant Bath Collection is designed so that everyone can have individual style with everyday luxury. All Elegant Bath cabinetry is proudly made in the USA. For standard basic vanities, see the Wellborn Collection.
