Peoria Mayor Recognizes Todd Whittaker Drywall Inc. **Mayor Presents Monthly Business of the Month Award**

PEORIA, Ariz. (November 29, 2018) – Mayor Cathy Carlat is pleased to announce and award Todd Whittaker Drywall Inc. (TWD) as the Mayor's Business of the Month for November 2018.

Ranked as the No. 1 Full-Service Remodeler in Arizona for the 3rd year in a row by Remodeling Magazine, TWD has served the Peoria community with repair and remodeling services for more than 20 years.

At the helm of this family-owned business is Todd Whittaker and his wife Jamie. Upon meeting this power duo, who surrounds themselves with a team of experts they consider family, it is easy to see why TWD is an industry leader. Their warmhearted personalities remain humble, while confidently demonstrating the expertise and professionalism that customers expect when undertaking home improvement projects.

Although TWD's original specialty was drywall and repairs, the business has grown considerably over the years and they now serve as a one-stop-shop for all design, build, and remodel needs. Todd credits TWD's success to their customer-centric service model and it's something he's proud to say is shared by the more than 40 experienced craftsman and office professionals that TWD employs.

The team is welcoming and neighborly, and ready to walk homeowners through every aspect of the design and remodel process. Helping achieve this is the full-service showroom that is designed to inspire, and features hundreds of stunning surface and product types.

Setting TWD apart is a commitment to five-star customer service and expert artistry. Also setting the TWD team apart is their commitment to community involvement. TWD has been honored to perform on projects for Building Homes for Heroes, an organization dedicated to supporting our veterans by building or modifying homes to meet their needs. Since this partnership, TWD has led improvements on two homes in honor and support of the men and women who have courageously served our country.

TWD is located at the southwest corner of 91st Avenue and Grand. To learn how this family-owned business can help you achieve your home improvement dreams, visit www.twdaz.com or call (623) 544-1211.
